Re: 10/070236 - Amended claims (re-send)

Dear Sir/madam,

I attach amended Claims for application 10/070,236. The amendment cancel two claims and make the rest single dependent.

I believe that after the change there is no multiple dependent claim, and therefore that the additional claim fee is not required.

I would like also to ask that this application will be attached to my customer number (33953).

Note that I have already sent this version of the claims on 3 Jul 2004, but I cannot see if you got them, so I send it again.

It is possible that I forgot to strike the words "any preceding claim" in claim 4 in the previous version, in which case the claims as they are attached here need to be used.

Thanks,

Yehouda Harpaz
